

## **Event at the Truro Meeting House**

---

**Monday, August 26, 7:00 p.m.**

### ***Renewable Energy for Truro and Beyond,***

*Sponsored by Truro Connections and the Truro Energy Committee*

Panel discussion of local climate efforts as Truro ponders its role in combatting the planet's climate crisis:

- Truro's Energy Committee
- Truro's New Climate Change Action Committee
- Cape Light Compact
- Cape Cod Commission.

*The climate change program is part of "Keeping Truro Sustainable: Part 2", a series devoted to maintaining Truro as a viable community for year rounders and seasonal residents, sponsored by four Truro cultural non-profits: the Truro Center for the Arts, Payomet Performing Arts Center, the Truro Historical Society and the Friends of the Truro Meeting House.*

---

## **Truro Congregational Meeting House**

**Town Hall Road at 3 First Parish Lane**

*Admission is free; however, contributions will be encouraged.*
